Notice of Decision by the California Energy Commission

To: California Resources Agency
1416 9th Street, Room 1311
Sacramento, CA 95814

From: California Energy Commission
1516 9th Street MS-2000
Sacramento, CA 95814

Subject: Filing of Notice of Decision in compliance with Public Resources Code Section 21080.5 and Title 20, California Code of Regulations, Section 1768

Project Name: **Mountainview Power Project**

Energy Commission Docket Number: 00-AFC-2C

Energy Commission Contact Person: Donna Stone **Phone #:** 916-654-4745

Project Location: City of Redlands, San Bernardino County, California

Project Description: 1,056 mw combined cycle power plant. The August 24, 2005 Decision approved a delay for completion of the color treatment application of the power plant to within 90 days after the start of commercial operations.

On August 24, 2005 the California Energy Commission approved the above-described project pursuant to a regulatory program certified by the California Secretary of Resources under Section 21080.5 of the California Public Resources Code.

1. The project will not have a significant effect on the environment.
2. Mitigation measures were made a condition of approval of the project.
3. A statement of Overriding Considerations was not adopted for the project.

The Commission's docket files containing the final Commission Decision and other information regarding the project are available to the public at: California Energy Commission, 1516 9th Street, Sacramento, California, 95814. The final Decision and other information regarding the project are also available on the Commission's web site--www.energy.ca.gov.
