E-Filing and E-Commenting Training Guide

California Energy Commission Training
November 6th and 7th, 2013

Presented by:
Pippin Brehler, Senior Attorney
Tiffani Winter, Senior Legal Analyst

Welcome to the e-Filing and e-Commenting Training!

Why are we here?

- Familiarize you with the new e-filing and e-commenting system
- To explain service and how it relates to e-filing, and
- Access confidential documents
- Discuss best practices for locating documents

What is e-CRMS?

- Parties File
- System Serves
- Parties must e-file beginning November 1, 2013
- Parties can request a hardship waiver

e-Commenting – for the Public

Quo Warrento?

- Commission's procedural regulations allow Executive Director to manage filing.
- Two "standing orders" implement these systems.

[Standing Order re: Procedural Requirements For Electronic Filing and Docketing of Public Comments and Documents with the Energy Commission in Power Plant Facility Proceedings \(August 29, 2013\).](#)

[Standing Order re: Proceedings and Confidentiality Procedural Requirements For Filing, Service and Docketing Documents with the Energy Commission](#)

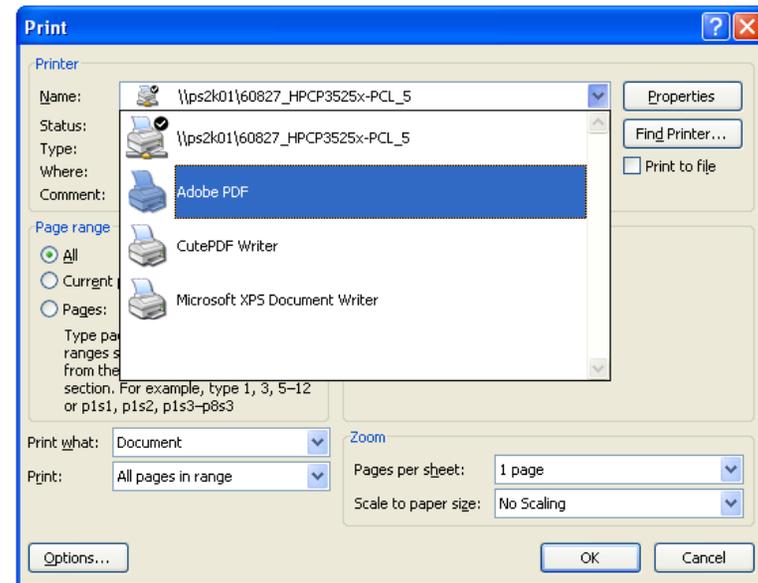

- Revised regulations planned.

PREPARING TO FILE

Energy Facilities Compliance Monitoring - Projects On-Line Before 1999

Projects that have been certified by the Energy Commission are monitored throughout construction, operation and closure to ensure that the owners comply with all conditions of certification. Additional post-certification compliance activities include processing amendments for changes to projects, handling complaints and processing requests to close projects.
