Subject: RUSSELL CITY ENERGY CENTER (01-AFC-7C)
APPROVAL OF PETITION TO AMEND THE ENERGY COMMISSION DECISION AT BUSINESS MEETING ON AUGUST 11, 2010

Dear Mr. Reeves:

Enclosed please find a copy of the Energy Commission Order approving the Russell City Energy Center project amendment petition that was heard at the California Energy Commission Business Meeting on August 11, 2010. The Order has been posted on the Energy Commission's website and was docketed on August 16, 2010. I have also enclosed a copy of the Notice of Decision filed with the Secretary of Resources and docketed at the Energy Commission on August 18, 2010.

This approved amendment includes adding three new parcels as construction worker parking and construction laydown areas, re-routing the potable water supply and sanitary sewer pipelines to connect with Depot Road instead of Enterprise Avenue; and updating the air quality Conditions of Certification to meet current BACT Standards.

It was a pleasure working with you and your staff on this amendment. If you have any questions, please contact me at (916) 651-8891.

Sincerely,

MARY DYAS
Compliance Project Manager
Siting, Transmission & Environmental
Protection Division
