ORDER DENYING PETITION TO INTERVENE

STARWOOD-MIDWAY ENERGY PROJECT
APPLICATION FOR CERTIFICATION
DOCKET NO. 06-AFC-10

Upon consideration of the Petition to Intervene filed by International Power Services Company, Inc., ("Petitioner"), the Committee designated to conduct proceedings in this matter makes the following findings:

1. On September, 2007, a Petition to Intervene in the above-captioned proceeding was filed by:

   International Power Services Company, Inc.,
   John Redding
   International Power Services Company, Inc.,
   43801 Mission Boulevard, Suite 103
   Fremont, CA 94539
   jredding@ipscllc.com

2. The Petition was timely filed and contains the information required by Section 1207 of the Commission's regulations (Cal. Code of Regs., tit. 20, § 1207); Petitioner desires to participate with the rights and obligations of a party as set forth in Section 1712 of the Commission's regulations (Cal. Code of Regs., tit. 20, § 1712).

3. The Applicant has expressed no opposition to said Petition to date;

4. Petitioner's interests, while relevant to power generation generically, are not specifically relevant to the above-captioned proceeding sufficiently to be granted Intervenor status; and

It is therefore ORDERED that the Petition to Intervene in this matter be denied and that Petitioner be placed on the distribution and mass mail list as an interested person, rather than on the Proof of Service List as an Intervenor.
