09-Renew EO-1

Dear Calif. Energy Comm. 11-13-14

I read the article in the Daily Breeze about the power + windmill plant in the desert. Why would Spain help the U.S. to build this? I have seen info on birds killed and I don't think its an exaggeration of the numbers. Please don't pass MS-4 Docket no. 09-renewal EO-01. I'm sure there is another area for this plant.

Thank you for your consideration,

California Energy Commission
