## **I would like to register my disapproval of this project**

Hello! Unfortunately, I will not be able to attend the meeting on September 17, 18, or 19 with the California Energy Commission regarding the proposed California Hydrogen Energy Plant near Tupman. Nevertheless, I would like to register my disapproval of this project. Kern County already has one of the worst (perhaps THE worst) air quality in the nation. We should not exacerbate our pollution problems with this project. Thank you for your time.

Sincerely,  
Debra Jackson
