Dear Mr. Matthews:

In accordance with the provisions of Title 20, California Code of Regulations, we hereby submit this Application for Certification (AFC) seeking authority to construct and operate the Pastoria Energy Facility 160 MW Expansion Project.

We request that this AFC be reviewed pursuant to a six-month energy facilities licensing schedule. As requested we are providing 60 copies of the AFC in written format and 65 copies on CDs. In addition to the AFC, the following additional materials are being submitted to assist the Commission in its review of the AFC:

- 5 CD copies of the Air Quality Monitoring Files, PEF Expansion Project, dated April 2005
- 3 copies of the Permit Book for Existing Pastoria Energy Facility, dated April 2005
- 3 copies of the Phase I ESA for the Pastoria Energy Facility, dated February 2005

In addition to these materials, under separate cover, we will be providing Dr. James Reede, CEC Project Manager, with the following:

- 1 CD copy of the AFC in PDF for use in loading the AFC onto the CEC website
- 1 CD copy of the Figures from the AFC in Adobe Illustrator for use by CEC mapping staff

As an officer of Pastoria Energy Facility, LLC, I hereby attest under penalty of perjury, that the contents of this application are truthful and accurate to the best of my knowledge.

Sincerely,

Duncan Brown
