Subject NRG Power Plant Relocation

We object to the relocation of the power plant from its current site in Carlsbad to one proximate to Ocean Hills Senior Community in Oceanside for the following reasons

1. Health risk of 10 fold increase in pollutants
2. Noise pollution
3. Environmental concerns (impact on Preserve Calavera)
4. Airport Safety
5. Carlsbad doesn't want to keep the present site for the above reasons but wants to put it in some one else's back yard.

Please vote to keep the power plant where it is presently sited, which is where the Calif. Energy Comm. staff recommended it should be

Sincerely,

Lesa Betty Olson
