To provide feedback about the proposed power plant project, the CEC requests letters reference "Carlsbad Energy Center Power Plant; Docket No. 07-AFC-06" and be sent via U.S. mail to:

Dockets Unit
California Energy Commission
1516 Ninth Street, MS 4
Sacramento, CA 95814

Please Pass this on to the proper authorities to review. Kathy Nutter
760-580-3531

I LIVE HERE IN SOUTH CARLSBAD, CA

I LOOK NORTH AND CAN SEE THE POWER PLANT.

I CAN SEE THE WHITE STEAM + SMOKE AMONGST THE CLOUDS. (PICTURED ABOVE)

I WORRY ABOUT DYING FROM THE POLLUTION THAT DROPS INTO THE AIR MY FAMILY AND I BREATH.

I WORRY ABOUT ADDING MORE STACKS AND MORE POLLUTION ALONG THE BEAUTIFUL COAS

ESPECIALLY WHEN THE PLANT CAN BE BUILT ANYWHERE, IT NO LONGER RELIES ON THE OCEAN. PLEASE FIND NEW PROPERT
