## **APPLICATION FOR CONFIDENTIAL DESIGNATION**

(Title 20 Cal. Code. Regs., § 2505 et seq.)

An application to keep a record confidential shall be submitted directly to the **Docket Unit** on electronic media, but not by email. Five electronic (5) copies of the record for which confidentiality is sought must be submitted, on separate media, each marked on the media with the title of the record and "confidential." (§ 1209.5, subd. (a)(4).) The application may be on a sheet separate from, but attached to, the record. The application will then be acted upon by the Executive Director in consultation with the Chief Counsel of the Energy Commission. (§ 2505, subd. (a).) (Nov 30, 2011 Standing Order)

**TO: Energy Commission Docket Unit.**

---

APPLICANT: National Lighting Contractors Association of America

---

ADDRESS: 3301 E. Hill Street Suite 406-408 Signal Hill, CA 90755

---

- 1(a). Title, date, and description (including number of pages) of the information or data for which you request confidential designation. **Information or data seeking a designation of confidentiality must be included with this application.**

**TITLE** Lighting Controls Acceptance Testing Material I

**DATE:** April

**DESCRIPTION:** \_\_\_\_\_

1. Two-sets Employer Corrected Pages
2. Two-sets Technicians Corrected Pages
3. Five Employer Disks.
4. Five-Technician Disks

- 1(b). Specify the part(s) of the information or data for which you request confidential designation.

1. Employer corrected pages \_\_\_\_\_

2. Technicians corrected pages

3. Employer Disks

4. Technician Disks

2. State and justify the length of time the Energy Commission should keep the information or data confidential.

Keep it confidential until our curriculum is accepted

---

- 3(a). State the provision(s) of the Public Records Act (Gov. Code, § 6250 et seq.) or other law that allows the Energy Commission to keep the information or data confidential, and explain why the provision(s) apply to that material.

The California Public Records Act allows for the non-disclosure of trade secrets. (Gov. Code, §§ 6254(k), 6276.44; see also Evid. Code, § 1060.)

- 3(b). Discuss the public interest in nondisclosure of the material submitted for a confidential designation. If the material contains trade secrets or its disclosure would otherwise cause loss of a competitive advantage, please state how it would be lost, the value of the information to the applicant and the ease or difficulty with which the information could be legitimately acquired or duplicated by others.

**How it would be lost.** Our curriculum was developed over a number of years based on following the changes in the energy codes as well as changes in technology. If our curriculum was to be reviewed by other than CEC it might be duplicated and we would lose our competitive advantage.

**Value of information to the applicant.** The value for the information is part of the exceeding \$150,000.00 value

---

The difficulty with which the information could be legitimately acquired or duplicate, the training material we developed is not available by any other organization. It would take significant time and money to develop a similar program.

4. State whether the information or data can be disclosed if it is aggregated with other information or masked to conceal certain portions (including but not limited to the identity of the applicant). State the degree of aggregation or masking required. If the data cannot be disclosed even if aggregated or masked, explain why.

Information can be disclosed if it is aggregated with other information or masked to conceal certain portions

---

5. State how the material is kept confidential by the applicant and whether it has even been disclosed to a person other than an employee of the applicant. If it has, explain the circumstances under which disclosure occurred. \_\_\_\_\_  
Portion of the course is presented to our existing students

I certify under penalty of perjury that the information contained in this application for confidential designation is true, correct, and complete to the best of my knowledge and that I am authorized to make the application and certification on behalf of the applicant.
