Residential Lavatory Faucets

PMI urges action to revise the CEC emergency regulation as it pertains to residential lavatory faucets so that a 1.5 gpm standard will take effect immediately, and a 1.2 gm standard will take effect on January 1, 2017.

Please refer to the attached timeline.

Additional submitted attachment is included below.

PMI Overview of Timeline for Implementation of California Energy Commission's Emergency Regulation - 1.2 GPM Faucets
