**KEEP IT CLOSED and Shut it all down !!!!**

Please do not allow this facility to reopen. When we bought here we did not receive a disclosure that stated this facility would jeopardize the health of my family. It definitely has. We were forced out of our homes due to the fact that SOCALGAS did not bother to keep up and properly maintain their important facility. They have lied and falsified records. They do not care about the people of Porter Ranch. They have showed us, by their not reimbursing people in a timely manner. Many have credit cards maxed out with no check in sight. They do not take any responsibility for the major disruption in our lives. We bought our homes, we did not want to be relocated to a hotel. Keep this facility closed for the health and well being of the entire San Fernando Valley.
