Subject: Extension of time to file comments and responses to Staff Issues ID Report and Proposed Schedule
Categories: Ready to Docket

I am informed by Bottle Rock's counsel that they did not receive the Staff's Issue Identification filing from Friday but only inadvertently discovered it on the web site ([http://www.energy.ca.gov/sitingcases/bottlerock/documents/2013-05-24 Bottle Rock Geo Issues ID Report TN-70959.pdf](http://www.energy.ca.gov/sitingcases/bottlerock/documents/2013-05-24_Bottle_Rock_Geo_Issues_ID_Report_TN-70959.pdf)). They've requested additional time, until 5:00 pm, tomorrow, Wednesday, May 29 to file their response. (The deadline was 1:00 pm .)

On behalf of the Committee, I approve the additional time, and extend it to all parties. The responses and written comments are now due on May 29, 2013 on or before 5:00 pm.
