Re: Docket No. 00-AFC-13C

In the Matter of: AES Huntington Beach Generating Station Retool Project

Minute Order Regarding Compliance with Condition of Certification BIO-5

Dear California Energy Commission:

In regard to this matter, I believe that once through cooling is a thing of the past and I hope you concur with the staff regulations if you don't deny the once through cooling method you vote to appropriate mitigation impacts of the payment of \$7,956,000 to the Huntington Beach Wetlands Conservancy for restoration of the Huntington Beach Wetlands or even more if the funds are available

Sincerely,

Eileen Murphy
