**COMMITTEE SCHEDULING ORDER**

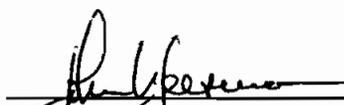

On November 17, 2006, the Petition to Amend the Commission Decision was filed with the Energy Commission. The Petition will be processed as provided in Title 20, California Code of Regulations, section 1769. The Committee conducted a public informational hearing on December 15, 2006, to discuss the schedule and other issues of concern. The attached Committee Schedule is based on Staff's proposed schedule and related discussion at the informational hearing.

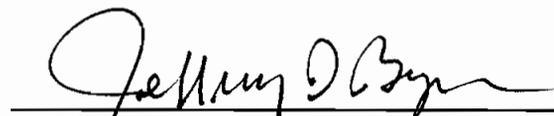

The Committee Schedule contains a list of events that must occur to complete the amendment process. The schedule covers the period leading up to the issuance of a proposed decision. The balance of the schedule will be determined at the Prehearing Conference.

Successful completion of the schedule in a timely manner depends upon reviews and actions to be conducted by federal, state, and local agencies as well as the timely provision of additional information by the Petitioner.

We may modify the schedule at any time upon either our own motion or that of a party. [Cal. Code Regs., tit. 20, § 1709(c)]. The schedule includes a provisional status report to determine whether case development is progressing satisfactorily, and to bring potential schedule delays or other relevant matters to our attention.

Dated December 21, 2006, at Sacramento, California.
