Dear Ms. Scott:

On behalf of Russell City Energy Company, LLC, please find attached one original and 50 copies of Amendment No. 1 for the Russell City Energy Center (01-AFC-07). Also attached are 37 electronic copies of the amendment on CD-ROM. Air quality modeling files will be transmitted to you under separate cover. The purpose of the amendment is to modify the location of project facilities, delete the advanced wastewater treatment plant, and add a Title 22 wastewater treatment plant and a zero liquid discharge system.

Sincerely,
