OF THE STATE OF CALIFORNIA

IN THE MATTER OF:

PETITION TO AMEND THE COMMISSION DECISION
APPROVING THE APPLICATION FOR CERTIFICATION
FOR THE
RUSSELL CITY ENERGY CENTER

DOCKET No. 01-AFC-7C

DOCKET	
01-AFC-7C	
DATE	MAR 21 2007
RECD.	MAR 21 2007

REVISED COMMITTEE SCHEDULING ORDER

On November 17, 2006, the Petition to Amend the Commission Decision was filed with the Energy Commission. The Petition will be processed as provided in Title 20, California Code of Regulations, section 1769. The Committee conducted a public informational hearing on December 15, 2006, to discuss the schedule and other issues of concern and issued a Scheduling Order on December 21.

In their recent status reports, Commission staff and the Petitioner have asked that the schedule be adjusted to reflect delays in obtaining certain information relative to the topic areas of Air Quality, Land Use, Traffic and Transportation and Waste Management. Staff proposed a new schedule on March 16, with which the Petitioner agrees. That schedule will bifurcate the publication of staff's analysis into two parts. All but the above four topic areas will be published on March 30; the remaining topics will be published 3 weeks after the Preliminary Determination of (air quality) Compliance is issued and all necessary data responses have been received by staff.

A revised Committee Schedule, consistent with the March 16 proposal, is attached. The schedule covers the period leading up to the Prehearing Conference. The balance of the schedule will be determined at the Prehearing Conference.

We may further modify the schedule at any time upon either our own motion or that of a party. [Cal. Code Regs., tit. 20, § 1709(c)].

Dated March 21, 2007, at Sacramento, California.
