**DOCKET**

DATE MAY 01 2007

RECD. MAY 03 2007

 Date: 5/1/2007 4:20 PM  
 Subject: Russell City Waste ROC  
 CC: hugh.murphy@hayward-ca.gov

I spoke with Hugh Murphy of the Hayward Fire Department 5/1/07 concerning their status as the administering agency of the Russell City Energy Center project. The Hayward Fire Dept. will be the administering agency and the Fire Department would require the Department of Toxic Substance Control (DTSC) or the Regional Water Quality Control Board (RWQCB) to assist them this process.

I informed Hugh that their agency would be included in the verification of the RCEC conditions of certification and we could use the phrase "in consultation with DTSC and/or RWQCB". He thought that was a good idea. Also, he said that the Fire Department would be responsible for getting DTSC or the RWQCB to provide consultation to their agency. Also he was going to talk to his attorney to determine what language would be best for his agency to add into the verification.

Hugh will get back to me later this week with a response from his attorney concerning the language for the verification.
