DATE SEP 12 2007
RECD. SEP 13 2007

Project Name: Russell City Energy Center

Energy Commission Docket Number: 01-AFC-7C

Energy Commission Contact Person: Lance Shaw **Phone #:** 916-653-1227

Project Location: Hayward, California

Project Description: Extension of the deadline for commencement of construction of the Russell City Energy Center.

On August 29, 2007, the California Energy Commission approved the above-described project petition pursuant to a regulatory program certified by the California Secretary of Resources under Section 21080.5 of the California Public Resources Code.

1. The project will not have a significant effect on the environment.
2. Mitigation measures were not required as a condition of approval of the project.
3. A statement of Overriding Considerations was not adopted for the project.

The Commission's docket files containing the final Commission Decision and other information regarding the project are available to the public at: California Energy Commission, 1516 9th Street, Sacramento, California, 95814. The final Decision and other information regarding the project are also available on the Commission's web site--www.energy.ca.gov.
