<b>NAME:</b> Doug Davy, Proj. Owner's consultant	<b>DATE:</b> 25 Sept. '07	<b>TIME:</b> 2:55
<b>WITH:</b> CH2MHILL		
<b>SUBJECT:</b> Noticing of Amendment		

**COMMENTS:**

Doug called to address the volume of mail coming in recently regarding the two projects RCEC and Eastshore Project Application for Certification (AFC).

He asked if we (CEC) were prepared to speak to the noticing on the projects. I said I'd have the RCEC lists and would be prepared to if asked.

[However, the noticing is different from the RCEC amendment and the Eastshore AFC. In the AFC process, the applicant supplies the Agency list and contacts when the AFC is filed. This did not occur in the RCEC amendment. However, staff took the list from the previous AFC and from any prior updates to the list.]
