

EXHIBIT G

DECLARATION OF ERNEST PACHECO

I Ernest Pacheco hereby declare as follow:

I am a resident of Hayward California. I have repeatedly attempted to subscribe to the California Energy Commission Web Notice function for Russell City Energy Center in the City of Hayward. I have no record of ever receiving any response or notification from the CEC, Bay Area Air Quality Management or Calpine Corporation. I have talked with other people who claimed to have the same experience and people who were dropped from the list after signing up.

I hereby declare under the penalty of Perjury under the laws of the State of California that the forgoing is true and correct and this Declaration was executed on June 25, 2008
