Petitioners position and interest in the proceeding:

I am a resident of Hayward California. I serve on the Board of Directors of The Hayward Area Planning Association (HAPA). I have been authorized by HAPA to intervene in Calpine's Hayward Shoreline facility 07-AFC-7C on HAPA's behalf. I am a member of Citizens Against Pollution (CAP) I have been authorized by CAP to intervene in the above referenced matter on their behalf. I also serve on the City of Hayward's Keep Hayward Clean and Green Task Force.

I have been personally named by Calpine in their Petition for Extension as a reason for their extension. As such I should be afforded the opportunity to file a response, present evidence, testify and cross-examine. To effectively do so it is necessary for me to become an intervener.

I incorporate by reference Environmental Appeals Board (EAB) of the U.S. Environmental Protection Agency Appeal NO. 08-01 into this position. Calpine has intervened in my EAB Appeal.

I incorporate by reference my objections filed concurrently with the compliance project manager for this proceeding.
