Subject: Notification  
 Requirement for the  
 Bottle Rock Geo-  
 thermal Powerplant

From : Department of Water Resources

The Bottle Rock Compliance Monitoring Plan, Section 12, Requirement No. 12-8, mandates that DWR shall request the Cal/OSHA Consultation Service to review DWR's Accident Prevention Program and certify compliance with the requirements of Section 3203, Title 8, of the California Administrative Code. A copy of the certification letter shall be filed with the California Energy Commission prior to the operation of the facility.

The attached certification letter is a formal notification of DWR's compliance with the requirements of T8CAC, Section 3203.

Should you have any questions, contact Gurmel Singh of my staff at ATSS 454-7417.
