Subject: CA Department of Education - National Center Partner

Dara Dubois and Karen Shores thank you for allowing us to participate in such a ground-breaking event today. We would like to be a part of the planning team for this Center, and would like to be included as a partner in this endeavor as it develops.

Please send us any forms that we need to complete, or direct us to the correct website to enlist. Again, thank you. We look forward to working with you and the CEC.
