<b>DOCKET</b>	
<b>11-IEP-1J</b>	
DATE	AUG 01 2011
RECD.	AUG 01 2011

Dear Commissioners,

I strongly urge you to decommission SONGS.  
 Simply put, the population growth in San Diego, Orange and Los Angeles counties has been so high that an evacuation in the case of a nuclear accident is simply no longer a viable option to mitigate risks. Therefore the location of SONGS has become unsustainable and it needs to be decommissioned.

Sincerely,

Josephus van Engelen, Ph.D.
