"Docket No. 07-BTSD-1."

Who are you to invade my home with electronic devises or other ways and regulate the appliances that I use? You are taking things too far and I for one am fed-up with the "Big Brother" mentality of this nation. I vote now and in all future elections for those who are less inclined to take away the freedom this country was founded upon. You are a disgrace to the American way of life and your communist attitude and approach to situations will not be tolerated. Seek solutions that do not infringe on our rights....that is the mark of true leader.

Thank you,

Bruce DePrater
