**Subject:** Docket No. 07-BTSD-1

I don't think this is Constitutional. While you're at it, Why don't you just fly a communist flag while you are at it? How the hell do you get your jobs? When the first person dies from your controlling ways, I hope you all go to prison for manslaughter! I know if my wife or mother dies due to your control, you will be sued and criminal charges filed!
