Address (optional): 2029 So Downs

City, State, Zip: Ridgecrest Ca 93555

E-mail: resptwrp@verizon.net

This comment form is being furnished to obtain suggestions and information from other agencies and the public on the scope of issues and alternatives that will be addressed in the joint EIR/EIS. All comments received, including names and addresses, will become part of the official administrative record and may be made available to the public.

Comments

This plan talks about 22.5 mil acres. Yet only 10 mil acres is under the control of the BLM. The plan should only address land that the government has control of. AT The present time the gov has too much control of the public.

Motorized recreation is going to take another big hit. For every mile of road closed by this plan, a mile of road should be established. There net loss of access by the public.
