California Energy Commission
Docket Office, MS
Docket No. 09-Renew E0-01
1516 Ninth Street
Sacramento, California 95814-5512

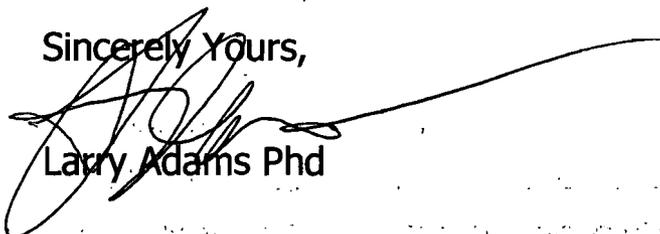

To Whom it May Concern:

The California City Economic Development Corporation is in agreement that private land should be used for Renewable Energy, not public land.

Any changes to the land zoning changes through Desert Plant amendment should be fully disclosed and given proper input from Desert Communities.

Thank you for your time and cooperation in this matter.

Sincerely Yours,

Larry Adams Phd

LA/mal
