						I'm on the board of directors with the Mojave Desert rock club. We rock hound Cady Mts, Calico Mts, Lavic area, Newberry Mts, Lane Mts Hollarand Springs, a Black canyon area. Please do not close those areas to public.
						I am also life member of Mojave River Valley Museum.. Please keep the desert mountain areas open to public for camping and enjoyment of the desert.
						No more closures, no more vast desert made into solar projects that destroy the desert.
