Re: Kurt Grossman Appeal 11-KGA-1
Staff Request for Clarification

Dear Mr. Herrera:

On February 24 I wrote to let you know that a committee would be appointed to consider the staff Request for Clarification (“request”) at the March 14 Commission Business Meeting.

Since then, I have learned that discussions aimed at resolving the issues raised in the request are ongoing, and that the appointment of a committee to consider the staff request has been removed from the business meeting agenda for March 14 in order to allow time for those discussions to continue. If necessary, it will be re-scheduled for a future business meeting.

Very truly yours,
