Confidential Cultural Resources Report
Sun Valley Energy Project (05-AFC-3)**

Dear Mr. Blevins,

Valle del Sol Energy, LLC (VSE), a wholly-owned subsidiary of Edison Mission Energy, is the owner of the Sun Valley Energy Project (SVEP). VSE requested Confidential Designation of a Confidential Cultural Resources Report submitted in response to Data Request 49. The Commission granted that request on May 9, 2006. VSE files this Supplemental Request For Confidentiality for materials that should have been included in that Cultural Resources Report but were inadvertently omitted.

VSE requests this information be designated confidential as well under 20 CCR 2505 (a)(4).

I certify under penalty of perjury that the information contained in this Application for Confidential Designation is true, correct and complete to the best of my knowledge. I am authorized to make this application and certification on behalf of Valle del Sol Energy.

Scott A. Galati
