RE: San Gabriel Generating Station  
Application for Certification No. 07-AFC-2

On behalf of San Gabriel Power Generation, LLC, (SGPG) a subsidiary of Reliant Energy, and the applicant for the above-referenced San Gabriel Generating Station (SGGS), we are pleased to submit the enclosed document:

- Supplemental Information in Response to CEC Data Adequacy Request

On April 13, 2007 SGPG submitted an initial Application for Certification for the proposed SGGS. The California Energy Commission staff subsequently reviewed the Application in accordance with its Data Adequacy checklist and identified additional information requirements. SGPG, working with its project team, has fulfilled each of the information requirements and hereby submits this Supplemental Information.

Seventy-five print copies of replacement and additional pages are enclosed, for insertion into the initial Application. Additionally, we include 75 CDs containing the April 13 AFC supplemented with these replacement and additional pages.

Please include this document in the AFC record.
