Purpose of Prehearing Conference

The Prehearing Conference is a public forum where the Committee will assess the parties' readiness for an evidentiary hearing, identify areas of agreement or dispute, and discuss the remaining schedule and procedures necessary to conclude the certification process. (Cal. Code Regs., tit. 20, § 1718.5.)

At the Prehearing Conference, all parties (Staff, Applicant, and Intervenors) shall present their respective positions regarding: the substantive subject areas ready for Evidentiary Hearing; those subject areas that require further analysis, including the

nature of, and time frame for, any such analysis; the subject areas that have been resolved; the subject areas that are disputed and require adjudication, and subject areas where a party seeks an overriding finding of public necessity and convenience. (Pub. Resources Code, § 25525.) The parties shall also identify proposed witnesses, as well as the time required for direct testimony and/or cross-examination.

Local, state, and federal governmental agencies may participate at the Prehearing Conference and Evidentiary Hearings, as necessary. (Cal. Code Regs., tit. 20, § 1714.5.) Elected officials and members of the public may present public comments at these events and/or submit written comments to the Energy Commission's Docket Unit. Please include "**HIDDEN HILLS SOLAR ELECTRIC GENERATING SYSTEM, Docket No. 11-AFC-02**" on any written comments.

ORDER RE: PREHEARING CONFERENCE STATEMENTS

To facilitate the process, each party shall serve and file a **PREHEARING CONFERENCE STATEMENT**. Each party's Prehearing Conference Statement shall be provided to and received by the other parties and the Commission's Docket Unit, 1516 9th Street, MS-4, Sacramento, California 95814-5512, **NO LATER than 3:00 p.m., Monday, February 18, 2012**. The parties shall e-mail their statements to the Hearing Adviser as well as to the Docket Unit and the parties as indicated on the Proof of Service list. Staff is further ordered to provide a Statement of Unresolved Issues pursuant to Title 20, section 1718.5(c), which may be included in its Prehearing Conference Statement.

FAILURE TO FILE A TIMELY PREHEARING CONFERENCE STATEMENT MAY PRECLUDE A PARTY FROM PARTICIPATING AT THE EVIDENTIARY HEARING.

"Subject areas" are the general topics identified in the table of contents of the Final Staff Assessment (FSA). Each Prehearing Conference Statement shall specify under a separate heading:

- a) The subject areas that are complete and ready to proceed to Evidentiary Hearing;
- b) The subject areas that are not complete and not yet ready to proceed to Evidentiary Hearing, and the reasons therefor;
- c) The subject areas that remain disputed and require adjudication, and the precise nature of the dispute for each subject area;
- d) The identity of each witness sponsored by each party (**Note:** Witnesses must have professional expertise in the discipline of their testimony); the subject area(s) which each witness will present; a brief summary of the testimony to be offered by each witness; qualifications of each witness; the time required to present direct testimony by each witness; and whether the party seeks to have the witness testify in person or telephonically;

- e) Subject areas upon which a party desires to cross-examine witnesses, a summary of the scope of each such cross-examination (including voir dire of any witness' qualifications), the issue(s) to which the cross examination pertains, and the time desired for each such cross-examination (**Note: A party who fails to provide the scope, relevance and time for cross examination with specificity risks preclusion from cross examining on that subject area**);
- f) A list identifying exhibits and declarations that each party intends to offer into evidence and the technical subject areas to which they apply (as explained in the following section on "Format for Presenting Evidence"). **Note: Parties must identify any evidence which they intend to designate as confidential**;
- g) Subject areas for which the Applicant will seek either a Commission override due to public necessity and convenience pursuant to Public Resources Code section 25525 or a specific finding that overriding economic, legal, social, technical or other benefits outweigh the significant effects on the environment pursuant to Public Resources Code section 21081(b);
- h) Proposals for briefing deadlines, impact of scheduling conflicts, or other scheduling matters; and
- i) For all subject areas, a description of any proposed modifications to the proposed conditions of certification listed in the Final Staff Assessment (FSA) based upon enforceability, ease of comprehension, and consistency with the evidence.

Format for Presenting Evidence

The parties shall provide written testimonial and documentary evidence as follows:

1. Each document shall be numbered and identified on an **Exhibit List**. (*Use example attached to this notice.*)
 - Applicant's exhibits shall be numbered consecutively as **Exhibits 1 through 299**.
 - Staff's exhibits shall be numbered consecutively as **Exhibits 300 through 399**.
 - Intervenor John Zellhoefer's exhibits shall be numbered consecutively as **Exhibits 400 through 499**.
 - Intervenor Center for Biological Diversity's exhibits shall be numbered consecutively as **Exhibits 500 through 599**.
 - Intervenor Old Spanish Trail Association's exhibits shall be numbered consecutively as **Exhibits 600 through 699**.
 - Intervenor Cindy R. MacDonald's exhibits shall be numbered consecutively as **Exhibits 700 through 799**.
 - Intervenor Richard Arnold's exhibits shall be numbered consecutively as **Exhibits 800 through 899**.

Copies of the Exhibits shall be provided to the Committee and other parties no later than 3 p.m. on the dates set forth in the filing schedule table, above. Failure to timely exchange of Exhibits may result in exclusion of evidence.

2. If a party seeks to submit more than twenty (20) exhibits into evidence, copies of the exhibits for each subject area shall **also** be compiled in separate file folders designated by subject area identified with the appropriate Exhibit Number for each document. This compilation shall include all opening and rebuttal testimony filed by the party and shall be provided to the Hearing Adviser **NO LATER than 3:00 p.m., Wednesday, February 20, 2013.** The subject area titles, which derive from the table of contents for the Final Staff Analysis, are:

1. Project Description
2. Project Alternatives
3. Facility Design
4. Power Plant Efficiency
5. Power Plant Reliability
6. Transmission System Engineering
7. Transmission Line Safety/Nuisance
8. Air Quality
9. Greenhouse Gas Emissions
10. Public Health
11. Worker Safety/Fire Protection
12. Hazardous Materials Management
13. Waste Management

FAILURE TO COMPLY WITH THE FILING REQUIREMENTS STATED IN THIS ORDER MAY PRECLUDE A PARTY FROM PARTICIPATING AT THE EVIDENTIARY HEARINGS.

Official Notice

Pursuant to Section 1213 of the Commission's regulations, the Committee intends to take Official Notice of the report issued by the Commission's Siting Committee entitled:

Committee Guidance on Fulfilling California Environmental Quality Act Responsibilities for Greenhouse Gas Impacts in Power Plant Siting Applications.

The report was issued in March 2009 and is found on the Commission website at:
<http://www.energy.ca.gov/2009publications/CEC-700-2009-004/CEC-700-2009-004.PDF>

Petitions to Intervene to Become a Formal Party

Only formal parties (Applicant, Staff, or Intervenors) may present evidence and cross-examine witnesses at the Evidentiary Hearings. The Energy Commission's Presiding Member's Proposed Decision (PMPD) on the HHSEGS will be based solely upon the official evidentiary record developed at the Evidentiary Hearings.

Anyone with an appropriate interest in the HHSEGS project may file a Petition to Intervene and become a formal party. At the Evidentiary Hearings, the formal parties may offer testimony and documentary evidence, receive documents filed by other parties, and cross-examine witnesses. However, a formal party must also comply with all Committee orders, procedures, and filing requirements, and is subject to discovery and having its own witnesses cross-examined by other parties.

To facilitate the participation of all parties at the Prehearing Conference, and allow for orderly and efficient Evidentiary Hearings, **the DEADLINE TO FILE a Petition to Intervene in this case is 3:00 p.m., Friday, February 11, 2013.** (Cal. Code Regs., tit. 20, § 1203(f).) Time extensions will not be granted for new Intervenors to review case materials since this proceeding has been ongoing since October 5, 2011 and the discovery period closed on April 2, 2012.

Public Adviser and Public Participation

Members of the public are welcome to attend and offer comments at the Prehearing Conference and at the Evidentiary Hearings. It is not necessary to be an Intervenor to participate in the public process. Comments may also be submitted in writing. Written comments may be submitted for posting on the docket for the proceeding by handing them directly to the Public Adviser, e-mailing them to publicadviser@energy.ca.gov or to docket@energy.ca.gov, or by U.S. Mail to:
