Categories: Ready to Docket

Mr Celli, I am writing to follow up o our conversation today regarding the schedule provided in the prehearing notice. First, the date listed for filing Prehearing Conference Statements is 2/18/13 which is a holiday (President's Day). I believe this should be changed to 2/19 or later.

Second, I have a previously scheduled vacation from April 4-15. While the Center will be able to file our Opening Brief before I leave, the current schedule would make it impossible for us to file a Reply Brief. The Center intends to seek an extension of time of additional week to file the Reply brief-- until at least 4/19/13. We will include this request regarding the schedule in our Prehearing Conference Statement as well but wanted to alert the Committee and all of the parties as early in the process as possible. Thank you. Lisa
