Dear Proposed Petitioner Garnica:

City of
Blythe

The Office of the Clerk of the Mojave Desert Air Quality Management District Hearing Board has received your attempted filing of a permit appeal petition regarding Blythe Energy Project Phase II. Unfortunately this office has no procedures or verification methods in place to authenticate either faxed or e-mail filings. Therefore, to properly file your petition you will need to submit a hard copy of the petition with an original signature and a check for \$250.00 to the following address: Clerk of the Hearing Board 14306 Park Ave, Victorville CA 92392-2310. The filing date of the petition will be the date of receipt of the hard copy and check (or other form of payment) by this office.

City of

Regarding your request for waiver of the filing fee, pursuant to MDAQMD Rule 303(k)(1) only the Hearing Board itself has the authority to waive the fee. However, as a courtesy the MDAQMD will arrange to accept and hold your check or other payment until the date of the hearing on your petition when you can properly request the Hearing Board for a waiver of the filing fee. If the Hearing Board agrees to waive the fee the MDAQMD will return your check uncashed.

For your information the Hearing Board's next regularly scheduled meeting is set for February 9, 2006 at 8:00 A.M. To properly comply with the notice requirements for this meeting I would need your hard copy of the petition and check on or before the close of business at 5:00 on February 3, 2006. If I receive your petition after that time and date I will need to schedule another hearing date for the Hearing Board to hear your petition.
