Mr. Fay - staff believes that all the issues in this case have been fully explored by the parties and that a Reply Brief is not necessary. However, we will not object should the Committee decided to allow Reply Briefs to be filed. Given that both counsel that have worked on the case - Dick Ratliff and Bill Staack - are currently on vacation, we do request that any such briefs not be required until August 19, 2005.

Please do not hesitate to contact me if you have any questions.
