To all Parties and Commissioners and Hearing Officer,

To accommodate the hearings progress Per our conference call yesterday as a compromise I am willing to stipulate to Tuan Ngo's final offer at the conclusion of the conference call. Condition AQSC-11 would be modified so the applicant would provide \$800,000 to fund woodstove replacement per CEC staff analysis in the FSA.

This amount will provide a realistic chance for the program to succeed as low income residents cannot afford to replace woodstoves and fireplaces with a modest \$300 incentive.

Although I still have many issues with the air quality and public health analysis I would be wiling to stipulate to the condions in Air Qaulity and Public health as proposed by CEC Staff as a compromise to allow rapid completion of the hearings and preserve the parties and the Commissioners valuable time and resources.

Please let me know if this is acceptable.

Robert Sarvey
