Dear Mr. Blevins,

Subject: Pastoria Energy Facility – 160 MW Expansion
Clarification of Applicant and Proposed Owner

In April 2005, an Application for Certification for the Pastoria Energy Facility – 160 MW Expansion (“PEF Expansion”) was filed with the California Energy Commission. That Application is pending review for data adequacy.

The purpose of this letter is to clarify that the Applicant and proposed owner of the PEF Expansion is Calpine Corporation.

Pastoria Energy Facility, LLC (an indirect, wholly owned subsidiary of Calpine Corporation) is the owner of the existing Pastoria Energy Facility; however, we do not anticipate that Pastoria Energy Facility, LLC will own the PEF Expansion.

For the purposes of processing this Application, all addresses and contact information provided in the Application will remain the same.

Sincerely,

A handwritten signature in cursive script, appearing to read "Gregg Wheatland".

Gregg Wheatland
Attorney for Calpine Corporation
