Project Summary: On April 29, 2005, Calpine Corporation filed an Application for Certification (AFC) for the Pastoria Energy Facility 160 MW (megawatt) Expansion (PEFE) Project, seeking approval from the Energy Commission to construct and operate an additional 160 MW unit at its existing power plant site. The previously approved 750 MW Pastoria Energy Facility (PEF) was analyzed and licensed by the Energy Commission (99-AFC-7) and is operational.

Public Participation: The public is encouraged to participate and provide comments. For information on how to participate in the Energy Commission's review of the proposed project, please contact Margret Kim, the Energy Commission's Public Adviser, at (916) 654-4489, or toll free in California, at (800) 822-6228, or by e-mail at PAO@energy.state.ca.us. If you require special accommodations, contact Robert Sifuentes, Equal Employment Officer, at (916) 654-4399, at least five days prior to the workshop.

Questions: Information about the proposed power plant is available on the Energy Commission's website at www.energy.ca.gov/sitingcases/pastoria2. Inquiries about the project should be directed to Dr. James W. Reede, Jr., Energy Commission Project Manager, at (916) 653-1245, or by e-mail at jreede@energy.state.ca.us. News media inquiries should be directed to Claudia Chandler, Assistant Executive Director, at (916) 654-4989, or by e-mail at mediaoffice@energy.state.ca.us.
