**NOTICE OF WITHDRAWAL**  
**VERNON POWER PLANT PROJECT, APPLICATION FOR CERTIFICATION (06-AFC-1)**

Please be advised that the City of Vernon has withdrawn its Application for Certification (AFC) to construct and operate a proposed 610 megawatt (MW), the Vernon Power Plant, combined cycle generation facility. The City of Vernon has determined that it is necessary to change the project size and location and plans to submit an AFC for a 910 MW power plant in late May or early June of this year. Please discontinue any review of the project. We will send you a copy of the Application for Certification for the new project when it is filed.

If you have questions please contact James W. Reede, Jr., the Energy Commission's Siting Project Manager, at (916) 653-1245, by email at [jreede@energy.state.ca.us](mailto:jreede@energy.state.ca.us), or 1516 9<sup>th</sup> Street, MS-15, Sacramento, CA 95814.

Sincerely,

Roger E. Johnson, Manager  
Energy Facilities Siting and Compliance Office
