NAME:	Che McFarlin	DATE:	01/24/2007
		TIME:	9:30am
WITH:	Rich Weiss with Starwood Power –Midway LLC (Applicant)		
SUBJECT:	Reconductoring Requirements and Facilities Study Report		

COMMENTS: The applicant has spoke with CAISO and PG&E regarding the reconductoring requirements identified in the Facilities Study Report and have learned that five projects have been dropped. Given the change in assumptions PG&E will be revising the report and reissuing it in March 2007. The applicant understands that if they are responsible for any reconductoring they'll need to conduct environmental surveys.
