Subject: Request to Postpone February 26, 2007 Workshop
South Bay Replacement Project (06-AFC-3)

Dear Mr. Pfanner:

I am writing to request a postponement of the Commission workshop scheduled for Monday, February 26, 2007 for the South Bay Replacement Project (06-AFC-3).

As you may know, the City Council of the City of Chula Vista voted to oppose the Port's leasing of the LNG site for the replacement project. The City Council's position was due, in large measure, to certain representations made by SDG&E. Without debating the merits here, LS Power firmly disagrees with the representation of SDG&E and will continue to correct the public record.

In light of these events, we believe that it would be prudent to postpone the workshop scheduled for Monday, February, 26, 2007. To be clear, this is not a request to suspend the AFC and the applicant will discuss the schedule for this proceeding with Staff as soon as possible. Given that the workshop is imminent, however, we wanted to get this request to you immediately.

If you have any questions or need any further information, I can be reached at (408) 572-1290. Thank you for your consideration of this request to postpone the workshop.

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin R. Johnson".
