PROPOSED NEW POWER PLANT CITY OF VERNON, COUNTY OF LOS ANGELES

Dear Anthony Madrigal, Jr.,

Your name was provided to the California Energy Commission (Energy Commission) by the Native American Heritage Commission as a representative of a Native American community who might be interested in the proposed construction and operation of a power plant in the City of Vernon, in Los Angeles County.

The Energy Commission has jurisdiction over the proposed project and has received an application for a permit to build and operate the power plant, known as the Vernon Power Plant, of approximately 914 megawatts. You will receive, if you have not already received, specific information about the proposed power plant from the project applicant. Information about the project can also be viewed on the Energy Commission website at <http://www.energy.ca.gov/sitingcases/cityofvernon/index.html>.

Please review the information you receive from the project applicant, and if you have concerns regarding cultural resources that could potentially be affected by the proposed power plant and related facilities, please contact Beverly Bastian (Phone: 916-654-4840; Fax: (916) 651-8868; E-mail: bbastian@energy.state.ca.us). You may also call the Energy Commission's Public Adviser, Margret J. Kim, toll-free at 1-800-822-6228, for assistance in participating in the Energy Commission's review of the proposed project.

The Energy Commission cultural resources staff welcomes your comments. Over the coming months we will also be holding workshops and hearings on the project and our preliminary assessment. You will be notified concerning the times, locations, and topics to be covered.

Sincerely,

Paul Richins, Manager
Environmental Protection Office
