Data Adequacy Supplement A

Dear Dr. Reede:

Please find attached the City of Vernon's Data Adequacy Supplement A. This supplement was prepared in response to the Staff's Data Adequacy Recommendation dated July 28, 2006. It is being submitted to fulfill the data adequacy deficiencies identified by staff.

To meet the filing requirements, 65 hard copies are being submitted to the Commission along with 85 CD copies. However, we are only submitting five copies of the following documents:

- Attachment CR-2.2, Historical Resources Inventory and Evaluation Report
- Attachment TSE-2.4A, the 610-MW Final System Impact Study

Complete copies of those attachments are included on the CD-ROMs.

Please let me know if you need anything else.

Sincerely,

CH2M HILL
