NAME:	Christopher Meyer	DATE: 1/09/08 TIME: AM
WITH:	Theresa Acerro, President, Southwest Chula Vista Civic Association	
SUBJECT:	Complaint about moving Data Response Workshop location	

COMMENTS:

On January 8, 2008 Josie Calderon informed me that the Principal of the Otay Elementary School has withdrawn the use of the school for our Workshop based upon information provided by Theresa Acerro regarding picketing and press attendance at the school site during the planned workshop.

Below is the electronic mail exchange regarding the change of location for the Chula Vista Data Response Workshop to the new location of the Otay Recreation Center, adjacent to the Otay Elementary School. Theresa Acerro is a Chula Vista resident currently opposed to the project.

Theresa,

I appreciate that you took the time to coordinate with the principal of Otay Elementary School on the likelihood of a rally/picketing and press at the workshop. However, due to the school district's concern over the potential disruption of these activities at a school, we lost approval to use the facility and had to move to our back up location at the Otay Recreation Center.
