RE: Carlsbad Energy Center Project, 07-AFC-6

Dear Commissioner Boyd:

The citizens and businesses of North San Diego County require quality and sustainable resources for a reliable and economical supply of electricity. The Carlsbad Energy Center (quick starting, efficient and meeting greenhouse gas reduction initiatives) is an ideal project for providing energy and to support development of new renewable resources.

This letter is to express my support for the proposed Carlsbad Energy Center Project at the **alternate site** that has been proposed - **adjacent to the Carlsbad-Oceanside-Vista** boundary and next to Merkel Reservoir. We **strongly support** this alternative site.

I urge your timely approval of the sustainable Carlsbad Energy Center proposal

Sincerely,

Mr. & Mrs. Steve Rayner
