PETITION TO THE CITY COUNCIL OF THE CITY OF ENCINITAS TO STOP THE PROPOSED COASTAL POWER PLANT

WHEREAS, NRG Energy, Inc., has submitted a proposal to construct a new power plant on prime Southern California coastline, and

WHEREAS, due to recent advances in technology, a power plant is no longer a coastal dependent land use, and

WHEREAS, the power plant's location on costal property will inhibit economic development, thereby hampering the regional economy and tourism opportunities, and

WHEREAS, the proposed plant's proximity to the widened Interstate 5 would constitute a safety hazard and visual blight, and

WHEREAS, quality of life in the region would be negatively impacted by increased greenhouse gas emissions associated with the power plant,

WE the undersigned petition the City of Encinitas to oppose the proposal to locate another power plant on the coastline of Southern California.

WHEREAS, the power plant's location on costal property will inhibit economic development, thereby hampering the regional economy and tourism opportunities, and

WHEREAS, the proposed plant's proximity to the widened Interstate 5 would constitute a safety hazard and visual blight, and

WHEREAS, quality of life in the region would be negatively impacted by increased greenhouse gas emissions associated with the power plant,

WE the undersigned petition the City of Encinitas to oppose the proposal to locate another power plant on the coastline of Southern California.

WHEREAS, the proposed plant's proximity to the widened Interstate 5 would constitute a safety hazard and visual blight, and

WHEREAS, quality of life in the region would be negatively impacted by increased greenhouse gas emissions associated with the power plant,

WE the undersigned petition the City of Encinitas to oppose the proposal to locate another power plant on the coastline of Southern California.

PETITION TO THE CITY COUNCIL OF THE CITY OF ENCINITAS TO STOP THE PROPOSED COASTAL POWER PLANT

WHEREAS, NRG Energy, Inc., has submitted a proposal to construct a new power plant on prime Southern California coastline, and

WHEREAS, due to recent advances in technology, a power plant is no longer a coastal dependent land use, and

WHEREAS, the power plant's location on costal property will inhibit economic development, thereby hampering the regional economy and tourism opportunities, and

WHEREAS, the proposed plant's proximity to the widened Interstate 5 would constitute a safety hazard and visual blight, and

WHEREAS, quality of life in the region would be negatively impacted by increased greenhouse gas emissions associated with the power plant,

WE the undersigned petition the City of Encinitas to oppose the proposal to locate another power plant on the coastline of Southern California.

Declaration of Service

I, Julie B Baker, declare that on May 7, 2009 I deposited 1468 signatures opposing the Carlsbad Energy Center in the United States mail with first class postage thereon fully prepaid and addressed to the Energy Commission docket office and sent transmission by electronic mail consistent with the requirements of California Code of Regulations, title 20, sections 1209, 1209.5 and 1210. All electronic copies were sent to all those identified on the Proof of Service list above.

I declare under penalty of perjury that the foregoing is true and correct.

May 7, 2009
