Dear Librarian:

DOCUMENT HANDLING FOR THE Carlsbad Energy Center Project (07-AFC-6)

The enclosed Final Staff Assessment (FSA) contains the California Energy Commission staff's final engineering and environmental evaluation of the proposed Carlsbad Energy Center Project. Please make this FSA available for those who may wish to be informed about the project. We request that you not allow the FSA or any of its contents to be removed from the library. To increase accessibility of the document, we ask, if possible, that you cross reference it as a general reference work under the title and author categories, as well as under such subjects as "Energy Commission," "electricity energy/generation," "power plant siting," or any other relevant subject. Please retain the enclosed letter to the public behind the front cover of the FSA.

The Energy Commission's siting process is open to the public and incorporates the input of the public as well as local, state and federal agencies. To facilitate public participation in our review process, the Commission distributes copies of staff documents such as the FSA to public libraries in communities near the proposed project, and in major cities throughout the state. As such, please retain a copy of the enclosed Notice of Availability / Notice of Public Workshop behind the front cover of the FSA and also post a copy of the Public Notice in a place conspicuous and accessible to those members of the general public who visit the library.

Thank you for your cooperation. If you have any questions, please contact Mike Monasmith, Siting Project Manager, at (916) 654-8494 or at the address on this letterhead or by email to mike.monasmith@energy.state.ca.us.

Sincerely,
