**Re: Carlsbad Energy Center Project (07-AFC-6)
Power of Vision Status Report**

Dear Commissioners:

Power of Vision submits it's September Status Report for the Committee's consideration.

Request for Data from NRG

Power of Vision is patiently waiting for the opportunity to review the requested data from NRG. In looking at NRG's status report they suggest that it can be dealt with at the Evidentiary Hearings. It will not give Power of Vision adequate time to review and analyze the data and present our findings to the commissioners if we are required to wait until the hearings.

FSA Workshops

Power of Vision is anxiously awaiting the release of the final staff assessment and requests a workshop on the results be held in Carlsbad. Citizen opposition continues to grow over the coastal siting of the Carlsbad Energy Center Project.

Respectfully,

Arnold Roe, PhD
Julie Baker
Power of Vision
